

## Accessibility statement

*Aalto University Innovation Services aims to ensure the accessibility of its website in accordance with the act on the provision digital services (306/2019). This accessibility statement concerns the website of the Aalto University Innovation Services (<https://innovation.aalto.fi/>).*

### Compliance status

The Innovation Services website is largely conformant with the levels A and AA set forth in the Web Content Accessibility Guidelines (WCAG) 2.1.

### Non-accessible content

Non-accessible content on the Innovation Services website includes textual elements that have an insufficient contrast ratio with the background. In addition, there are some non-accessible PDF files on the page, most of which were published prior to 23 September 2018 and are therefore outside the scope of the current legislation. We will aim to make the PDF files and the contrast ratio of the textual elements compliant with the accessibility requirements in 2019–2020.

### Date of publication of the accessibility statement

The website of the Innovation Services was published on 30 January 2018. This statement was written on 22 September 2019. The data in the statement are based on self-assessment and an accessibility testing performed by an external consultant with the help of appropriate technical tools.

### Feedback and contact details

You can comment on the accessibility of the Innovation Services website and request for any non-accessible content in an accessible format by emailing to [innovation-coordinator@aalto.fi](mailto:innovation-coordinator@aalto.fi).
